What is NEF?

- Nordic Environmental Footprint Group (NEF)
 - Cooperation of Nordic authorities under Nordic Council of Ministers (NMR), started 2015
- Objectives
 - Discuss and exchange views regarding the EU Commission testing and further uses of Product/Organizational Environmental Footprint
 - Prepare common Nordic participation in EF Steering Committee and Technical Advisory Board meetings
 - Contribute to dissemination of EF to Nordic stakeholders
- Nordic workshop on PEF, Stockholm 9 Sep 2015
- LCA “consensus” workshop, Copenhagen, 25-26 Apr 2016
- 2nd Nordic workshop on PEF, Oslo 28 Sep 2016

Project objectives

- To organize a LCA specialist workshop in spring 2017 for discussion of selected LCA issues in the PEF method and if possible to suggest ways forward

Target group: PEF/LCA experts from industry, authorities, consultancy and research

- To report back to the TAB group in March 2017 on the workshop discussions and findings
