

Nordic workshop on PEF

23 February 2017

NEF, IVL & SLC
Stockholm

norden

Swedish Life Cycle Center

Big thanks to everyone for your contribution to the discussions!

- Documentation including ppt and the webcast will be available at www.Nordic-pef.org

norden

Swedish Life Cycle Center

Next steps

- The suggestions, input and motivation for methodologies will be included in a Workshop Minutes Report
- Main Conclusions and suggestions of the report will be presented at the PEF/OEF Steering Committee Meeting on March 21st 2017 in Brussels by the NEF Group
- The conclusions will thereby be included into the SC and TAB discussions for the common PEF/OEF methodology of the PEF Guide

norden

Swedish Life Cycle Center

Next steps

- The NEF group will consider the need for supporting future Nordic LCA expert dialog regarding PEF and options for further support to COM
- During 2017 and 2018 there will be possibilities to continue the dialogue with the respective TAB members and with the NEF Group
